### RULES

- Open to anyone holding a valid Maine Fishing License.
- Open to anyone who caught the fish in qualifying body of fresh water in Maine.
- Fish caught from a private or state club, pool or hatchery are disqualified.
- One patch per species per year.
- The following officials can certify the weight of the fish: Tagging station attendants, Maine game wardens and state game biologists. If applying for a Maine state record scales must be officially calibrated.
- A shoulder patch and packet will be awarded to qualifying members.
